## TWO LARCENY CASES HEARD

Jury Finds Kepano Guilty of Larceny and Acquits Lunning of Charge.

The case of the Territory vs. Kepano, continued from Monday afternoon, was concluded yesterday morning and the jury returned a verdict of guilty as charged, the defendant having been charged with larceny in the second degree in the stealing of a bag of flour. The court sentenced the offender to two months hard labor in Oahu prison, with the costs remitted.

Yesterday afternoon the second judge of the First Circuit Court heard the case of the Territory vs. H. Lunning, the defendant being charged with larceny in the second degree in the stealing of a boat. The jury to whom the case was submitted was as follows: Arthur Coyne, Jas. J. McDonald, Albert Trask, Jos. H. Lichtig, Martin Bowers, F. B. Damon, F. S. Lyman, Jr., Captain Isaiah Brady, Chas. Bon, Miles W. Parkhurst, Paul E. R. Strauch and Wm. M. Mahuka. A verdict of not guilty was found by the jury. Frank E. Thompson represented the defendant and Deputy Attorney General Cathcart prosecuted the case.

### COURT NOTES.

The defendant's demurrer to plaintiff's amended complaints in the case of Macfarlane vs. Catton was yesterday heard before the Second Judge of the First Circuit Court, and overruled.

### GUARDIANSHIP MATTERS.

The Second Judge of the First Circuit Court yesterday ordered the appointment of David Koli Unauna and Isaac L. Cockett as Guardians of Ritchie Koli Unauna and Isaac Kahlukia Cockett, respectively, the two last named being minor defendants in the action to quiet title entitled Honolulu Investment Company, Limited, vs. Minnie Koli Unauna et al., and said guardians so appointed being the fathers of said minors.

### PROBATE.

In the matter of the estate of Jacob Jurgenson, deceased, the final receipt of Matilda Jurgenson, sole heir, has been filed by George R. Carter, administrator.

### FEDERAL COURT.

In the case of George E. Lee and Thos. Saffrey, who filed on Monday a plea of abatement, charging illegal organization of the Federal Grand Jury, the matter was argued yesterday by Lorrin Andrews for the parties under indictment and United States Attorney Baird for the United States, before Judge Estee. In both cases the Court overruled the plea of abatement and both defendants plead not guilty to the indictment. The two cases will be set for trial on Monday next.

### SUMMONS RETURNED.

Return of summons were yesterday made in the following cases: W. R. Castle vs. Ana Memonia, showing service upon the defendant; Hawaiian Commercial and Sugar Company vs. Walluku Sugar Company, showing service upon defendant through S. C. Allen, its president; Maleka Saim vs. S. M. Damon, showing service upon the defendant.

### CORPORATIONS.

Articles of incorporation, accompanied by affidavits and the written approval of Attorney General Dole, have been filed with the Treasurer, by the parties to the corporation of the Waipio Limulau, Limited, incorporating for a term of fifty years as a joint stock company, the purpose being to acquire lands, raise taro, rice and other agricultural products, and to prepare them into articles of trade. The amount of capital stock is \$10,000 and Antonio Fernandez is president, Wm. N. Purdy, vice president, Charles Williams, secretary and treasurer, and Henry Hall, auditor.

### NATURALIZATIONS.

Kristin S. Glerdum of Hana, Maui, a native of Norway, was yesterday naturalized with citizenship by the Federal Court.

### NEW EAST RIVER BRIDGE.

Its Construction May Go to the Steel Trust.

NEW YORK, April 9.—The Tribune says:

Steel men are greatly interested in the bidding for the contract for the steel suspended structure of the new East river bridge. Many are of the opinion that it will afford an idea of the means to be employed by the United States Steel Corporation.

Those familiar with the steel situation say that there are about four probable bidders, as follows: The United States Steel Corporation, the Pennsylvania Company, which has the contract for making the steel for the approaches of the new East river bridge; the King Bridge Company, who bid on the same contract, and the Cambria Steel Company.

The contract, it is said, will amount to between \$2,000,000 and \$3,000,000. It is probably the largest single contract for structural bridge steel advertised since the organization of the United States Steel Corporation. If the company wishes, it is said, it can prevent the smaller companies from getting the raw produce on as favorable terms as heretofore. Then, also, it is said the big company may underbid the smaller companies. Under the terms of the official notice to contractors the bids must be in April 25.

### "DORCAS."

The Musical Comedy to be Presented by the Stanton Company.

"Dorcas," the musical comedy in which the Josephine Stanton Opera Company will make their first appearance here, was for three seasons a great success in the States with Pauline Hall in the title role. The idea of introducing a lot of new people in a strange city in a musical comedy, is not a new one. The reason for it is to give each and every one of the principals a chance to do something which does not always happen in a straight operatic production. In "Dorcas" solos, duets and choruses from the latest comic operas, such as "San Foy," "Flora-Dora," etc., are introduced and the management has found by experience that it puts all the members of the company on their mettle and all show at their best.

The season is limited to twelve performances, commencing Thursday night, April 25, with "Dorcas," which will also be given on Saturday night.

The comic opera repertoire will begin Tuesday, April 30. There will be no season tickets sold and the management beg to announce that no tickets unaccompanied by cash will be reserved over forty-eight hours. This matter has been taken up by Manager Love, as numerous complaints have been made that on several occasions parties who tendered money for seats were refused, after which large numbers of seats were returned to the box as unused. The parties who reserved them left them on the ticket seller's hands, thereby embarrassing the ticket seller and keeping other people out of the seats.

Wall, Nichols Company will begin the sale of seats Saturday morning at 9 o'clock.

### CAUSE OF FALLING HAIR.

Dandruff, Which is a Germ Disease—Kill the Germ.

Falling hair is caused by dandruff, which is a germ disease. The germ, in burrowing in to the root of the hair, where it destroys the vitality of the hair, causing the hair to fall out, digs up the cuticle in little scales called dandruff or scurf. You can't stop the falling hair without curing the dandruff, and you can't cure the dandruff without killing the dandruff germ. "Destroy the cause, you remove the effect." Newbro's Herpicide is the only hair preparation that kills the dandruff germ. Herpicide is also a delightful hair dressing.
